

Sell more with customer financing

A partner that provides you with choices, efficiency, competitive products and expertise enables you to offer your customer more opportunity to purchase your equipment.

Why DLL?

For more than 50 years DLL has partnered with equipment manufacturers to develop and offer customer finance programs.

What we offer:

- Wide range of products including:
 - Loans
 - Finance leases
 - Operating leases
- Variety of flexible financing options including:
 - Grace Periods
 - Ramp-Up payment programs
 - Seasonal programs
- Industry based finance specialists who understand your business

Tailored to your needs, including:

- Cashflow driven payment programs
- Residual value programs: customer lock-in and lower payments
- Up to 100% financing
- Possibility to bundle additional services, repair and maintenance

Understanding your business

DLL offers Retail finance (loans and leasing) for new and used equipment, and also Inventory finance for stock management.

Our commitment to you:

- Global capabilities with strong local presence.
- Our goal is your increased sales and profits.
- Custom programs to meet your individual sales, financing and business needs.
- We invest in partnerships with the aim to have a long-term collaboration.

Grow your business with the world's leading vendor finance partner.

About DLL

DLL is a global vendor finance company with more than € 35 billion in assets. DLL partners with equipment manufacturers, dealers and distributors in more than 30 countries to support their distribution channels and help grow their businesses.

DLL is a wholly owned subsidiary of Rabobank Group. To learn more about DLL, visit www.dllgroup.com
